PLASTIC BALLS

The league has decided, in line with T.T.E. guidelines that from the start of the 2015/16 season, all league matches will be played with plastic/poly balls, with the exception of those matches played at Grosvenor Table Tennis Club, who will still use celluloid balls until such time as orange balls become freely available.

If the home team do not have a plastic/poly ball, then the away team can either use their own plastic/poly ball or refuse to play the match in which case the match would be awarded to the away team 9-0.
